# We bring people together.

**WELCOME TO THE CENTER FOR RURAL DEVELOPMENT**, the most versatile event and meeting location between Lexington, Kentucky, and Knoxville, Tennessee.

Our Exhibit Halls, five Ballrooms, 760-seat Theatre, and other functional areas are ready to accommodate the smallest meeting all the way to the largest national or statewide convention, trade show, concert, or performance. At The Center, you have access to audio/visual support and even greater technological infrastructure.

The Center also features a full-service commercial kitchen to help you get ready for any event and an all-inclusive wedding package ranging from event planning to hourly services as required. Choose the services that you need when you book your special day with us.

But The Center is more than just a building. We are proud of our excellent customer service. Our friendly

and courteous expert staff members focus on providing a user-friendly environment and will meet your every need. We treat your event as if it were our own!

As for area amenities, The Center is located in the heart of the Lake Cumberland Region, one of Kentucky's top tourist destinations, and near other top attractions like Cumberland Falls and The Big South Fork National River and Recreation Area. The new addition of a 105-room Courtyard by Marriott hotel will allow event and meeting participants to mix business with pleasure in a naturally beautiful, slower-paced setting few facilities can match. The hotel will add another level of convenience for conference planners and those wishing to host conventions in our area.

Every feature of The Center for Rural Development was designed for you—our customer. **Contact us today at 606-677-6000 and let us show you how we can make your next event your best event.**
