12:30 – 3:00	Abstract Expression Oils

Abstract Expression Oils Melissa Schutz

Students will gain an understanding of the role emotion plays in art making as they create abstract paintings based on feelings. They will create a painting based on one or more of the following: feeling, emotion, idea, expression, color, texture, line. Emotion may be happy, sad, angry, excited, or alone. When the paintings are complete, the students interpret each other's work.

Paint-tastic Debra Hines

Students will work with paint on fabric, clay and paper to make a paint-tastic display of art. They will learn to be creative and see painting as a different art and material.

Tuesday, July 14

Age Group 6-8

12:30 – 3:00	Dance as An Art

**Dance as An Art, Britani Shoemaker
Dance out what you create**

Students will spend time learning elements of both dance and art. The focus will be on the elements of dance: Body, Action, Space, Time, and Energy. Another focus will be art elements such as shape, line, and color. These elements will be explored through both movement and creating actual pieces of artwork. The end result will be to dance what has been created on paper.

Food is Art Mete Sergin

Students will learn how to make crepes – thin French pancakes (sweet and savory) and use each version to make an entrée and dessert. Students will also learn how to find art in the presentation of a beautifully layered sandwich.
